

Paisley Park

Kansas Troubles Quilters

I'm drawn like a moth to a flame every time I see a beautiful paisley print on a silk scarf. It can provide the perfect accent for a classic outfit, as a paisley print pillow on a traditional sofa can update and transform your living room. Paisley adds depth and interest to ordinary objects in our daily lives. The paisley featured in this collection brings a touch of country warmth and spirit to your home with it's clusters of simple flowers and dots. I've added it to a group of classic KT prints including more paisleys in stripes, swirls and florals. The blend of paisleys and fall tones strikes the perfect note, setting the stage for a heavenly place I envision as **Paisley Park**.
