

Bee Joyful

Deb Strain

Honeybees and the contribution they provide to our world are endlessly inspiring! Long known as “the angels of agriculture”, honeybees have been a subject in art since ancient Egypt. Coordinating with my past BEE collections, *Bee Joyful* continues presenting everything BEE with gentle words and sayings. Pairing rich, elegant vintage patterns with colors that are contemporary provides an on-trend look to this timeless theme. Whether creating and heirloom quilt or a totebag, *Bee Joyful* will inspire BEE-autiful creations.
