

Cali & Co.

by Corey Yoder of *Coriander Quilts*

I'm so excited to introduce my Cali & Co. fabric line. I've designed this collection featuring sweet calico (Cali + co = Calico) prints in my signature warm, happy palette. I wanted to create a line, full of a rainbow of color, using all small-scale prints. You will find dainty florals, sweet cherries, and whimsical dots throughout these fabrics. I hope you love creating with Cali & Co.! I can't wait to see what you create. - Corey
