

# DOTTY THATCHED

ROBIN  PICKENS

RPQP CP165 Crosswalk Plus  
60" x 60" DR Friendly

It's time for little dots to come play on my Thatched fabrics! "Dotty Thatched" has little dots with a random and loose feel, honoring the things we make by hand. Variation and imperfection have a beauty and freedom to them. This Dotty Thatched release brings 20 colors including popular basics like Navy, Royal, Scarlet, Tangerine, Blizzard, Shadow, Gray, Fuchsia and Washed Linen. Enjoy a charming new Sunshine Yellow that brings happy feelings with Princess Pink and Grass Green.

Precuts are also available with all Dotty Thatched in Blizzard, providing an excellent background for projects, ready to sew! Whether it is your background or pop of color in blocks, add an extra layer of whimsy and delight with Dotty Thatched on your next project!

Play with color using yardage or a pack of precuts, including a Dessert Roll of 5" wide WOF strips of the 20 colors. Two new patterns support the Dessert Roll format. "Crosswalk Plus" is a 60" square quilt that has two background colors and could also use the substitution of a Layer Cake. "The Arrow Maker" uses a Dessert Roll or 9 Fat Quarters for the 59" x 57" modern arrow design. The "Colorblock Tote" shows a couple options to mix color strips and combine regular Thatched and Dotty Thatched into a striking tote bag.
