There's nothing like having a teenage daughter to add color and beauty to your life. Love, Lily is a collection that I worked on with my own daughter, Lily. She worked with me on the prints, helped me curate colors, and delighted me with her ideas for upcoming projects. This collection is a celebration of youth and beauty, strength and tenderness, quirky and cool, smart and silly—all the lovely things I see in my own daughter. We hope you love it as much as we have loved creating it for you. I am so excited to bring this fresh, beautiful collection to you

—Love, Lily.
